DON'T MISS THE HIGH SPEED ACTION AT THE LAKE!

“A WORLD CLASS VENUE FOR TEAM RACING”

Last year 102 races were held over two days to determine Victoria's best secondary school sailing team. The winners St Bedes Mentone won by a single point over the previous years winners Haileybury, snatching victory on the last leg of the last race!

Again there will be high speed action but this time on Albert Park Lake. “Albert Park Lake is a world class venue for team racing” says Paddy Oliver.
